

PUT A KILT ON IT

Outlandish decorations for Outlander fans.

Outlander fans like you asked for ways to celebrate the series.

What better way than with kilts of your own? We've provided a kit you can print and use throughout the season, featuring kilts that can adorn everything from wine bottles and glasses to remote controls.

From now on, you can be surrounded by your own sea of Outlander tartan.

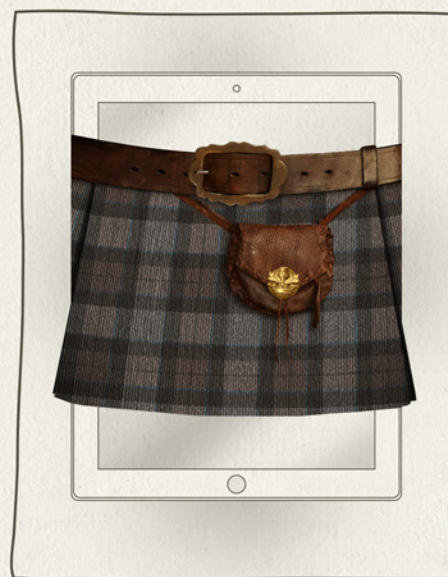

Of course, if you want Jamie Frasier lookalikes in real kilts, you'll have to arrange that on your own.
